### 204/19 Public Participation

7.32pm Cllr Watson arrived.

Agenda item: 209/19/3/ii A representative from Sutton Scouts spoke regarding the planning application for the replacement scout hut. The Scout management have tried to alleviate residents' concerns regarding parking, traffic and noise and they are still in a listening mode. It is felt that the hut will be an asset to the village and community.

A resident spoke in support of the new hut and expressed that it would be an asset to the village and a benefit for the conservation society for walks, bird watching and such like.

Cllr Ruse gave concerns from residents in the location of the proposed replacement hut. The concerns are safety of people walking on an unlit road with no pavements. Noise from some of the events proposed, lack of parking, and a zip wire over a site of special scientific interest.

Cllr Smith stated that some valid points have been made to the planning authority, however some are not correct, for example it is not a massive residential area and some of the concerns can and have been mitigated.

Agenda item: 209/19/3/iii. Cllr Inskip informed the meeting that the determination date of the planning application at 142 The Row is on the 3<sup>rd</sup> May, the same day as the count for the Neighbourhood Plan referendum.
